Contract: Permanent - depending on a successful 3 month probationary period. Full time - working 8 hour shifts Monday to Friday 07:00 to 16:00 (depending on weather conditions and other circumstances, you could finish earlier or later).

Employer:
For the past 21 years Off The Rock Garden Landscaping has been designing and building gardens from New Zealand to Edinburgh. We work for domestic and commercial clients. We are driven by both passion and pleasure; for us transforming gardens has always been a joy. It is now time for us to expand and we are looking for two creative and energetic individuals to help our company grow now and into the future and to become part of our exciting team.

Work Environment:
We are based in Edinburgh but occasionally our projects take us further afield.

What might a day in this job look like?
- Each day will be different as every project we undertake has specific challenges that will give you the opportunity to develop new skills.
- Our days consist of first of all clearing the site, and then the foundation preparation and finally constructing the various aspects within the garden be it building, patios, decking, building walls, creating water feature and finally the planting of the garden.

What will I Learn?
- In house training will be provided and you will learn on the job
- You will work alongside a qualified tradesman every day
- Soft Skills such as communication, teamwork and problem solving
- You will attend college one day a week and work towards an SVQ2 Horticulture and Landscape Construction with Scotland’s Rural College at their Oatridge Campus.

What Qualifications / Qualities are required?
No formal qualifications are required; however you should have a keen interest in gardening and enjoy working outdoors. We are looking for someone who isn’t afraid to get their hands dirty! You will also need to have the following qualities:
- reliable and honest
- willing to learn new things and work hard
- the ability to listen and follow instructions
- a great attitude and work as part of a team
- good communication skills
- common sense

Closing Date:
Sunday 25 September.

Job Title: Apprenticeship Programme

Contract: 2 years

Salary: £6,826 per year in year one and then £11,116 per year in year two.

Employer:

Kwik-Fit are experts in automotive parts repair including tyres, brakes, exhausts, MOT testing, car servicing and air conditioning recharge. Our gold standard apprenticeship programme allows us to meet our skills needs in all areas while offering successful applicants the opportunity to join the largest and most successful Fast Fit Company in the UK.

Work Environment:

Our apprenticeships are the gold standard for work-based learning within our sector and all take place in our own training academies. We have four training academies in the UK: Broxburn; Harlow, Derby and Reading. We cover all travel and accommodation costs to get our apprentices to and from any courses. A high number of our apprentice graduates progress to managerial positions and enjoy a successful career with Kwik-Fit.

What might a day in this job look like?

The Kwik Fit Apprenticeship scheme is a comprehensive and extensive programme that will teach you about every area of our business – two years of full training – that will lead to a NVQ qualification and a career as a ‘Kwik Fit fitter’.

What will I Learn?

- We work closely with our awarding body to ensure that all our training and assessment meets the recognised criteria for the Qualification Credit Framework. All our training is delivered in-house by our fully qualified trainers. During every course they bring not only their extensive knowledge but also their experience of the industry to life.
- We are 100% committed to the continuous development of the skills and knowledge of our people, through training, coaching and distance learning.
- We are a company that offers a 'traditional' apprenticeship. This means if we take you onto our programme you are permanently full time employed from the day you start.

What Qualifications / Qualities are required?

We’re not looking for any formal qualifications. What we are looking for is someone who is:
- enthusiastic and interested in this industry
- friendly and a good team player
- willing to learn and develop their skills
- hard working and has a 'can-do' attitude

**Job Title:** Trainee Building Services Engineer  
**Contract:** Permanent. (35 hours per week, Monday to Friday with day release at university)  
**Salary:** £7,000 - £10,000 per annum (in line with National Minimum Wage)  

**Employer:**  
TÜV SÜD Wallace Whittle are international award winning Building Services Consulting Engineers who champion a sustainability led design approach for the benefit of our clients and the world we live in. We specialise in leading edge Mechanical, Electrical and Sustainable design solutions which respond to the needs of our customers, whilst respecting evolving legislation and technology trends to ensure investments are protected. We ensure a pro-active approach to clients services provision and our reputation as a leading designer of building services is founded on a solid skills heritage and a successful track record spanning over 50 years.

What are Building Services?

Imagine yourself in the greatest building in the world. Now take away the lighting, heating and ventilation, the lifts and escalators, acoustics, plumbing, power supply and energy management systems, the security and safety systems. You are left with a cold, dark, uninhabitable shell. Everything inside a building which makes it safe and comfortable to be in comes under the title of 'Building Services'. A building must do what it was designed to do - not just provide shelter but also be an environment where people can live, work and achieve.

**Work Environment:**

You will be based in the Edinburgh office in Broughton Street Lane as part of a tight knit team of designers and technicians. Our office is made up of Mechanical, Electrical, Public Health, CAD and Administration departments.

**What might a day in this job look like?**

One of the great advantages of being a Building Services Designer is that no two days are the same. Each project is different and the wide variety of tasks means you always have new challenges. Typical duties may include:

- Assisting a team of engineers and technicians with the production of engineering drawings  
- Production of 3D or 2D drawings using computer software  
- Preparation and checking of simple engineering calculations  
- Initial checking of own work  
- Contributing to providing solutions to design problems  
- Meeting agreed deadlines  
- Attending meetings and/or site visits/surveys  
- Attending and participating in company activities, presentations and workshops  
- Keeping your training log up to date and attending training/Continuous Professional Development where appropriate  
- Supporting the administration of projects  
- Ensuring application and maintenance of all Quality System procedures  
- Weekly recording of man-hour commitments to individual projects.

**What will I Learn?**

The traineeship in Electrical Building Services Engineering will run over a four year period during which time you will undertake a supervised programme of training and university day release to gain a degree in Building Services Engineering.
The Building Services Engineering course will cover all aspects of building services including mechanical engineering whilst the main focus of the role in the office will be the design of electrical systems. This provides the candidate with a broad understanding of our industry to develop their career for the future.

**What Qualifications / Qualities are required?**

You should be studying towards or have achieved a minimum of 3 Highers including English, Maths and a science subject (preferably Physics or Technological Studies) and 5 passes at National 5 or equivalent including English, Maths and a science subject.

You should have:

- the desire to work in an engineering office environment
- willingness to achieve a professional qualification
- good numeracy, literacy and computing skills
- ability to manage your own time and prioritise at busy times
- practical awareness of the Building Services Engineering environment
- an interest in using computers for design work, calculations, and testing designs
- ability to produce neat and accurate technical drawings
- ability to think in a methodical way to design, plan and organise projects
- a temperament that means you work well with other people
- excellent communication skills within a team and externally
- ability to present and explain the thought processes behind your own design work.

You should be able to demonstrate that you are:

- enthusiastic
- adaptable
- willing to learn
- punctual
- reliable
- committed
- self-motivated
- well presented.

**Closing Date:**

Sunday 2 October.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Banqueting Staff

Contract: Permanent following successful trial. Part-time hours including evening and weekends.

Salary: Depends on experience

Employer:

Prestonfield House is Scotland's highest rated hotel, holding both the AA’s supreme accolade of 5 Red stars and 5 Gold stars from VisitScotland. As you’d expect, as part of James Thomson’s Collection, which includes the Witchery by the Castle and the rooftop Tower Restaurant, standards are high.

Work Environment:

Prestonfield has an impressive Banqueting operation that we are hugely proud of. Based in our prestigious 500 seat Stables events venue, we are busy all year round with a packed calendar of events. We are now seeking part-time banqueting staff to join the team for the busy year ahead.

**Job Title:** Trainee Warehouse Assistant

**Contract:** Six months initially with opportunity of full time employment if successful

**Salary:** £5.50 per hour

**Employer:**

Mike Stoane Lighting design and manufacture architectural light fittings which are used on projects all over the world. Take a look at our [website](#) to see the kind of things we make and the projects we get involved in. Working for us is varied and interesting; we have a young enthusiastic team and there is plenty of opportunity to learn new skills. In October 2014 we became an employee-owned company and everyone who works for us has a say in the future of the company.

**Work Environment:**

You will be based at our Loanhead office and factory on the Bilston Glen Industrial Estate near Ikea. As well as being the home to our office team, all our designers and makers are also based here, so it is a very creative place to work. It is easy to get to from central Edinburgh using bus services 37 and 47.

**What might a day in this job look like?**

Every project at MSL is different and, as a lot of our work is bespoke or special, there is plenty of variety. Your day to day duties will include:

- accepting goods in from sub-contractors and other delivery companies
- checking of high end metal components to various standards against technical drawings
- delivering components to the desired department within the company
- basic computer/administrative skills to log signed in components and deliveries
- locating and picking stock components using an internal database and warehouse
- helping Production to assemble light fittings
- following instruction manuals, using fixings and hand tools
- learning different procedures to manufacture a wide range of standard and custom built luminaires.

**What will I Learn?**

The opportunities to learn on the job are endless at MSL. Our Warehouse Operatives will teach the various methods and techniques to pick and allocate stock for our large range of standard and special luminaires.

Our skilled Production Engineers will teach you hands-on engineering and assembly skills. You’ll also learn about cutting edge new LED lighting equipment and handling procedures, as we are working at the forefront of new technology in our industry.

Learning is very much part of our ethos and even our established staff are always improving their skill-base. We have a “skills matrix” which will track your progress and recognise the new skills you have learned.

**What Qualifications / Qualities are required?**

- A basic knowledge of computers/Windows systems
- Attention to detail
- Practical hands on skills (i.e. do you make or fix things yourself as a hobby?)
• A desire to learn new skills.
• Flexible “can do” attitude
• Reliable and trustworthy.

Employer:
This company has a broader focus beyond home automation and entertainment to support clients in specifying and installing energy efficient systems in both residential, hotels and serviced properties.

Work Environment:
EH12 - office based.

What might a day in this job look like?

We are not your standard company and this is not your standard administration job. If just answering phones and shuffling paper is what you are looking for, this isn't going to be the position for you! The position’s scope of works will have three areas of focus:

1. Working within Procurement – Making sure that our engineers have what they need, before they need it!
   - Build and maintain relationships with our key suppliers
   - Order and maintain standard inventory
   - Order speciality component, often with long lead times requiring an ongoing effort to monitor their on-time arrival.
   - Work with our finance team to make sure our online systems accurately reflect what is in stock and what is in the field.

2. Scheduling – Confirming dates and times for engineers to be on site and in our clients’ homes:
   - Build and maintain relationships with our clients’ site representatives to check build programmes, and relate this to our teams
   - Ensure work isn’t scheduled before the required component arrives in stock (see above)
   - Help customers understand what they need to do so their installation can go ahead.

3. Sales Support – Helping our sales team stay focused on their clients:
   - Build and maintain relationships with key members of our clients’ sales staff
   - Support our Sales Manager in delivering marketing campaigns
   - Assist Sales with pre-and post-meeting action points.

What will I Learn?

**Job Title:** RBS Apprenticeships  
**Contract:** Permanent  
**Salary:** £266.70 per week  
**Employer:**

RBS is a bank with a history of looking ahead. Since we were established by Royal Charter in 1727, we have granted the world’s first overdraft, launched the first mobile bank and developed the first fully functional smart phone banking app. We’re passionate about making a difference – to our customers, our people and the communities we work in. How we treat people is a fundamental part of how we do business. Fairness and honesty are at the heart of how we work and our culture is a positive, professional and friendly one. We believe in creating an open and supportive environment where everyone is given the opportunity to do what they do best. No matter where you work in RBS, you’ll be actively encouraged to share your views and opinions.

**Work Environment:**

As an RBS Apprentice you’ll enjoy a whole host of benefits, and you’ll earn a competitive salary as you learn through on-the-job training. You’ll also have plenty of support from your buddy as you study towards a professional qualification through a structured online learning and development programme. Formal networking opportunities will allow you to meet colleagues from across the business and you’ll be given everything you need to realise your potential and succeed in your role. It’s a fantastic alternative to full-time education, and a unique opportunity to become part of a diverse, challenging and exciting organisation.

**What might a day in this job look like?**

We have big ambitions for our apprentices. It’s your new ideas, fresh thinking and customer focus – along with the technical expertise you’ll gain – that will build our bank in the months and years ahead. Throughout the apprenticeship and beyond, we’ll help you reach your potential in an environment that will stretch you from day one. We currently have Level 3 and 4 apprenticeship opportunities across a number of business areas.

**What will I Learn?**

Combining valuable practical experience and vital learning, the RBS Apprenticeship provides you with everything you need to develop a rewarding career and shape your future. Expect to be challenged as you expand your skills with a hands-on education, gaining invaluable insight and on-the-job training.

**What Qualifications / Qualities are required?**

To be eligible for an RBS Apprenticeship, you must be over 16 and no longer in full-time education. You should have Standard Grade Level 3 or National 4 Maths and English. You’ll need to be bright and ready to kick-start your career in an international financial institution. You’ll bring a fresh perspective, questioning nature and the boundless potential needed to shape the future of RBS. The drive to meet challenges head on, learn on the job and study for a professional qualification is also a must-have. Of course, we’ll expect you to show real enthusiasm and seize every opportunity that comes your way.
