Job Title: Kindergarten Assistant - Modern Apprenticeship

Contract: 2 years fixed term – 30 hours per week

Salary: Modern Apprenticeship National Minimum Wage

Employer: Rowanberry Mini Kindergarten

Work Environment:
You would be working with a childminder caring for 10 - 12 children. Half of the children are under school age so there will only be 5 pre-schoolers most mornings at first. They have recently renovated a cottage to provide holistic and meaningful experiences for a mixed aged group of children in a child led kindergarten type environment. The service on offer is already proving popular and they now need an assistant to be able to meet demand. This is an excellent opportunity for a young person who loves children and animals, spending time outdoors and would like an opportunity to develop a career in this area.

What might a day in this job look like?

This childcare business operates from a home. There are pros and cons of working with a childminder. There is greater freedom to really offer child-led activities. They have the use of a 7 seat car so can do trips, many of which will be into the woods for nature play. There will also be some domestic duties within the family home such as cleaning and keeping all areas tidy.

The Childminder will be doing school pick-ups and drop offs so there will be times when you will be left alone with between one and three children. You will not be required to do nappy changes. You will prepare snack together with the children.

You will learn something about Steiner and Froebel methods as the Childminder has been a Steiner teacher and more recently has completed Froebel training. There will be more cleaning involved in operating from domestic premises, including cleaning of the car but all this will be shared so that you have the right hands on experience to complete your course.

You would be encouraged to follow your passions and dance or do yoga with the children or arts and crafts or climb trees or tell stories with silly voices if that is what you are into. Children enjoy being with adults much more if they are having fun too.

What will I Learn?

You will work towards SVQ Level 2 in Childcare and Education to become a qualified Nursery Assistant progressing on to SVQ Level 3 in Childcare and Education to become a qualified Nursery Nurse.

What Qualifications / Qualities are required?

- Candidates should have at least a National 4 in English and Maths.
- Looking for someone who is positive, reliable and caring with a natural love of children.
- You must be 18 years old by June 2017.

Closing Date:
Sunday 30 April.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Structural Design Consultants Ltd

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Trainee Civil and Structural Engineering Technician

Contract: Permanent, with a start date of June 2017
37.5 hours a week Monday to Friday with day release at Edinburgh College

Salary: £8,000 per annum starting salary

Employer:

Structural Design Consultants Ltd are leading consultants with a distinguished reputation for providing cutting edge and cost effective design solutions for a demanding market place. Our engineers have previously worked for world class consultants helping to develop distinctive and award winning buildings with some of the country’s leading architects. Many of the projects were for blue chip clients in the financial, retail and commercial sectors which required complex value engineered design solutions.

Work Environment:

Based in the city centre, you will be working in a relaxed and friendly but busy office environment. We enjoy regular social nights out including bowling/snooker/food.

What might a day in this job look like?

- General office duties (printing, photo copying, folding drawings)
- Occasionally answering phones
- Working on improving skills using AutoCAD
- Assisting engineers with drawing preparation/full drafting
- Assisting with site visits when required.

What will I Learn?

As a Trainee Technician your main role will be working up technical drawings including plans/sections and details covering all elements of construction on building projects. Through your 4 years of training you will become fully proficient in AutoCAD and gain knowledge in all aspects of civil and structural engineering elements. You will work directly with engineers and other technicians and therefore build good team working relationships. Detailed in-house training will teach you almost everything you need to know.

After one year of working in the office, you will attend Edinburgh College on a day release basis for 2 years and, on completion, you will achieve an HNC in Civil Engineering. You will spend a final year in the office to complete your training and become a fully qualified Civil/Structural CAD Technician.

What Qualifications / Qualities are required?

- You should have a minimum of 5 National 5s including English, Maths, science/technical subjects and ideally have or expect to achieve a minimum of 2 Highers including Maths and a science subject.
- An interest in technical drawing would be a benefit.
- A keen eye for detail and pride in your work is a must to become a skilled/proficient technician.
- We are looking for someone who is positive and reliable with a willingness to learn quickly and on the job.
- A clean driving licence is preferable but not essential.

Closing Date:

Sunday 30 April.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Trades Apprenticeships – Bricklaying and Carpentry/Joinery

Contract: Minimum two year contract. 39 hours per week.

Salary: Competitive + benefits

Employer:

Barratt is Britain’s best-known house builder. Our successful brands include Barratt Homes, David Wilson Homes and Barratt London. Every year we build and sell thousands of new homes ranging from starter and family homes, through to exclusive luxury apartments. We’ve built and sold over 400,000 homes in the last 50 years, and won multiple awards. Our homes are built to last.

The same is true of our careers. We have a huge range of projects lined up and we need great people like you to make them a reality. We’ve grown considerably in the past three years, bringing our workforce from 5,000 to over 6,000 people, and re-entering the FTSE100 top companies.

Work Environment:

Everyone who joins our scheme commits to a minimum two year programme. Our apprentices commence the programme at the beginning of September each year. For our trade apprentices, there's a lot of working outside, helping build houses while learning your trade, so you'll need to be good with your hands and happy to work in all weather conditions.

What might a day in this job look like?

Here at Barratt, we're not just about bricks and mortar. We're about fulfilling ambitions. Opening doors, creating a real sense of belonging. That's how we work with our customers. And that's exactly what you can expect from us if you join us.

Within our award winning Barratt Academy, we run a number of programmes to create the very best learning environment for you, providing you with the very best opportunities.

Once you’ve successfully completed your Trade Apprenticeship, for those with the desire and potential to progress, you will have the opportunity to apply for our Assistant Site Manager Programme or our Sponsored Degree Programme. Alternatively, you could join one of our sub-contractors, you could go self-employed, or in some areas you could join Barratt permanently as a qualified tradesperson.

What will I Learn?

- The first two years are taken up with learning a trade and achieving S/NVQ Level 2 through day or block release at college.
- At the end of your second year, there are options available to you including continuing to obtain an Advanced Apprenticeship Level 3 for a further year (two years in Scotland and for Plumbing and Electrical trades).
- You will also undertake learning to complete your functional skills Maths and English up to level 2 if required as this will form part of your apprenticeship framework.

What Qualifications / Qualities are required?

Whichever role you apply for, there’s plenty of studying to be done, so you'll need to be willing to continue your learning in an exciting and challenging environment.

We're looking for individuals who have:
• achieved or working towards a minimum of National 5 in English and Maths
• a commitment to learn and work to high standards
• a genuine interest in construction and learning a trade
• passion for exceeding customers’ expectations
• and are ambitious and enthusiastic.

You should also be able to demonstrate the following skills:

• excellent communication
• team working
• problem solving
• time management.

In addition to your commitment to learning, you will need to demonstrate a passion for working outdoors in all weathers, working as part of a team, showing initiative and be willing to follow strict Health and Safety regulations.

Closing Date:

Friday 30 June.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Apprenticeship Programme – 4 posts

Contract: Permanent

Salary: £16,000 per annum

Employer:

Aberdeen Asset Management PLC (AAM) is an international investment management group, managing finance for institutional and retail clients from offices around the world. This means that our clients give us their money and pay us to use our expertise and invest on their behalf. We are now recruiting for our September 2017 Apprenticeship Programme intake.

Work Environment:

You will be based between our offices in Princes Street and Morrison Street.

What might a day in this job look like?

The aim of the apprenticeship programme is to develop those who can make high-level contributions to AAM without having attended higher education. We encourage high achievers to apply for an apprenticeship as an alternative to university or college.

AAM places strong emphasis on the training and development of our apprentices. Our programme aims to give apprentices a well-rounded view of the asset management industry and its related functions, with a view to finding the business area suited to their skill set. You will be based in teams within our Operations, Finance, Distribution, Corporate and Risk divisions. The programme runs from September for 12-24 months and is designed to help you learn about our organisation, meet the people involved and help you decide in which area you want to begin your career.

What will I Learn?

Although most of your learning will take place on the job, you will also be supported to develop your skills further. The following will be provided:

- Extensive induction including industry, technical and soft skills training
- Support through qualifications including SVQ and an industry recognised qualification
- External training sessions in Excel, introduction to investment, classroom training
- Internal training sessions for soft skills, eg assertiveness, business writing, communication
- Opportunity to take part in charity initiatives.

Our programme offers you the chance to learn as you earn. You will complete a vocational qualification during your first year and study for an industry qualification during the second year.

- 1st Year - SVQ Level 3 in Digital Skills (HNC equivalent)
- 2nd Year - Industry recognised qualification, eg Investment Operations Certificate (IOC).

What Qualifications / Qualities are required?

- Working towards or achieved 3 Scottish Highers or equivalent
- excellent communication skills
- ability to work as part of a team and collaborate with others
- flexibility and adaptability
- high motivation
- interests and experience outside of your studies eg. volunteering, sports, coaching/competing
- commitment to continual training and development
- willingness to learn about asset management industry.

Job Title: Trainee Civil and Structural Engineering Technician

Contract: Permanent, with a start date of July 2017

Salary: £13,500 per annum

Employer:

David Narro Associates is an established Structural and Civil Engineering Consultancy with offices in Edinburgh and Glasgow. We have expertise in all areas of building design including conservation engineering, sustainable design and architectural engineering. Our projects range from minor structural alterations through to multi-million pound developments including commercial and industrial buildings, housing, schools, visitor centres, museums, health centres, and theatres. Our Structural Engineers and Engineering Technicians work closely with Architects and other building professionals to deliver projects throughout Scotland and beyond. In recent years our work in Scotland has taken us to all corners of the country from the Battlefield Visitor Centre at Culloden to the refurbishment of the Royal Museum in Edinburgh and many projects throughout the Western Isles, Orkney and Shetland.

David Narro Associates is an employee-owned company and as such you will have a say in some of the decisions affecting the company. You will also become eligible to obtain shares in the company and therefore a have a personal stake in the ownership of the business.

Work Environment:

You will be based in our busy Edinburgh office in the Marchmont area of the city. You will be working as part of a small team producing 2D and 3D drawings using computer software. These computer-aided (CAD) drawings are used by builders and contractors to understand our designs and to aid them in constructing the building. You will be mentored by a Senior CAD Technician who will work with you closely throughout your training.

What might a day in this job look like?

You will work 35 hours per week, Monday to Friday with day release for college. You will be office based but will have plenty of opportunity to visit construction sites to see your drawings being turned into reality. The projects you will be working on vary enormously in size and complexity from small house alterations and extensions to multi million pound projects.

Duties may include:

- production of 2D and 3D drawings using computer software
- assisting the in-house team of engineers and technicians in the production of construction information
- production of 3D computer models of building structures using drawing software
- contributing to the solution of civil and structural engineering problems
- working to agreed timescales and deadlines
- visiting construction sites on occasion to check compliance and assist the contractor
- attending training seminars and events.

What will I Learn?

You will learn the importance of teamwork and the significance of your role as a member of that team. You will develop your communication and problem solving skills and will gain an insight into the civil and structural engineering profession.

You will learn how to use computer software to produce drawings and how to carry out basic engineering calculations.
You will undertake a programme of training and will be mentored throughout the training period. You will be offered the opportunity to study for a Modern Apprenticeship or an HNC in Civil Engineering on a day release basis at a local college. This qualification will allow you to apply for Technician membership of the Institution of Civil Engineers or the Institution of Structural Engineers with a view to obtaining a professionally registered Engineering Technician qualification (Eng. Tech).

**What Qualifications / Qualities are required?**

Job Title: Cultural Venue Operations - Modern Apprenticeship – 9 posts (R040)

Contract: Two Year Fixed Term

Salary: £16,400 per annum (pay range £16,400 - £17,514)

Employer:

Historic Environment Scotland (HES) is the lead public body established to investigate, care for and promote Scotland’s historic environment. We are responsible for more than 300 properties of national importance. Buildings and monuments in our care include Edinburgh Castle, Skara Brae, Fort George and numerous smaller sites, which together draw more than 3 million visitors per year.

We invest about £14 million a year in national and local organisations, supporting building repairs, ancient monuments, archaeological work, the Conservation Area Regeneration Scheme and the voluntary sector.

Our conservation experts provide guidance, training and technical research into Scotland’s built environment. Through our outreach programme, we promote community and individual learning engagement with Scotland’s heritage. We contribute to the Scottish Government’s strategy to tackle climate change and reduce Scotland’s carbon footprint.

Work Environment:

Historic Environment Scotland is offering nine school leavers the opportunity to join the team at Edinburgh Castle on a two year Modern Apprenticeship contract. This is a fixed term and pensionable appointment from June 2017 to May 2019. Edinburgh Castle is Scotland’s most popular paid visitor attraction, welcoming around 1.5 million visitors annually.

What might a day in this job look like?

Key responsibilities will include:

- delivering a high standard of customer care to all visitors at all times
- enthusiastically providing information and assistance to visitors throughout the visit, whilst also ensuring visitor safety
- ensuring high standards of presentation and professionalism are maintained at all times.

Modern Apprentices are required in the three areas of the Castle:

Admissions:

- Provide a world class welcome and direct visitors as appropriate upon their arrival at Edinburgh Castle
- Sell appropriate tickets and products to all walk up visitors
- Ensure all vehicles entering the Castle and parking on the Esplanade have the appropriate approval
- Ensure the security and safety of the visitor, whether arriving on foot, by bus or by car, and any other activity taking place on the Esplanade throughout the day
- Ensure all group visitors to the Castle are welcomed and their access into the Castle is managed as efficiently and effectively as possible, providing additional information as appropriate
- Provide information on other Historic Environment Scotland sites and services available to visitors
- Process sales, while ensuring that all financial procedures are adhered to and carried out accurately and efficiently.
Guiding:

- Welcome and assist visitors on their way around the Castle
- Work on both indoor and outdoor posts throughout the Castle
- Oversee the security, cleanliness and tidiness of the various apartments throughout opening hours
- Knowledge of Scottish history and the Castle would be advantageous, although training will be given
- Additional duties may include driving our mobility vehicle.

Retail:

- Carry out the daily operational duties of the shop as requested by the supervisor or retail management
- Maximise trading income through selling and upselling appropriate merchandise
- Process sales, whilst ensuring that all financial procedures are adhered to and carried out accurately and efficiently
- Ensure the correct pricing of stock
- Ensure the shop is well stocked and merchandise is appropriately displayed at all times
- Assist in the daily banking and cash conveyance as and when required
- Ensure that high standards of shop hygiene and housekeeping are maintained at all times.

The Modern Apprentices will spend the first three months in all three areas taking part in a thorough and detailed induction of the Castle, after which they will each be placed in one area where they will stay for the remainder of the contract unless stated otherwise. At this point, the Modern Apprenticeship qualification will commence.

What will I Learn?

You will undertake a Diploma in Cultural Venue Operations (SCQF Level 6) delivered by Rewards Training.

What Qualifications / Qualities are required?

Ideally we are looking for National 5s or equivalent including Maths and English, and/or Higher Grades.

Desirable competencies:

- Delivering excellent service – demonstrating a commitment to quality services
- Teamwork – Contributing to and supporting working together
- Planning and Organising – putting plans and resources in place to achieve results
- Communication – communicating appropriately and clearly
- Knowledge and Experience – applying and developing knowledge and expertise to achieve results.

Closing Date:

This position will be closed when suitable applicants are found.

Job Title: Children and Young People – Modern Apprenticeship

Contract: Full time

Salary: National Apprenticeship Wage or above

Employer:
Training for Care is an educational charity specialising in social care and childcare training for over 30 years and recruits on behalf of a number of different childcare employers across Edinburgh.

Work Environment:
You will be employed in a private nursery as part of a team working with 0-5 year olds. Nurseries are fun, exciting and caring places to work with lots of different play activities on offer to create a stimulating and enjoyable learning environment for the children, both indoors and outdoors, combined with rest and relaxation time too. We also have links with many after-school clubs, if you prefer to work part-time with older children in a less structured setting.

What might a day in this job look like?
A typical day would include planning and setting up a wide range of play activities to help promote the children’s physical, intellectual, language and social development plus other tasks such as preparing snacks, ensuring the environment is safe for the children and some cleaning and clearing up. You will be interacting with and supporting the children and responding to their various needs.

What will I Learn?
You will learn the on-the-job skills and competences required to achieve the SVQ Level 3 in Social Services (Children and Young People) at SCQF Level 7. You will also receive underpinning knowledge inputs, on either a day release or evening tutorial basis, plus regular SVQ portfolio support from your assessor who will also come out to visit and observe you in your workplace. You will be required to demonstrate Core Skills in ICT and Numeracy at SCQF level 5.

What Qualifications / Qualities are required?
To be eligible you must be between 16 and 19 years of age and should have, or expect to achieve, a minimum of 3 National 4 or 5s. Although previous experience is not required, some, e.g. baby sitting or school work experience with children, is helpful. The ability to demonstrate a genuine commitment and desire to work with children is most important, and reliability, ability to use initiative and good interpersonal and communication skills are all essential.

Closing Date:
We recruit on a continuous basis and run programmes throughout the year.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: KPMG360° Programme

Contract: 3 or 6 years depending on the career path you take

Salary: £16,000 - £18,500 per annum – dependent on location

Employer:
KPMG in the UK is a leading provider of professional services, including audit, tax and advisory specialisms - delivering integrated solutions to our clients’ issues. We have over 12,000 partners and staff working in more than 20 offices. Being part of a strong global network of member firms gives us a truly global mindset. With passion and purpose, we work shoulder-to-shoulder with you, integrating innovative approaches and deep expertise to deliver real results.

Work Environment:
At KPMG, your long-term future is every bit as important to us as it is to you. That’s why our aim is to give you experiences that will stay with you for a lifetime. Whether it’s great training and development, mobility opportunities or corporate responsibility volunteering activities – you’ll gain a wealth of experiences on which to build a rewarding career. We’re proud of our culture – it’s one that recognises hard work, encourages new ways of thinking and embraces diversity and inclusion. We have an innovative spirit which inspires what we do and how we do it – striving to be better lies at the heart of who we are.

What might a day in this job look like?

Not sure which area of our business you’re most interested in or suited to? Our rotational KPMG360° apprenticeship programme could be for you. In your first year, you’ll learn about all parts of our business so you can make an informed choice about where you’d like to specialise. You’ll gain Professional Qualifications, following the study pathway that’s right for you and your career. The programme will last three or six years depending on the career path you decide to take.

You’ll rotate around the business, getting an amazing overview of the huge variety of projects we undertake.

As you undertake placements across Audit, Tax and Advisory, there’ll be no such thing as a typical day, but each placement will include:

- Becoming an integral part of the team, networking and developing relationships internally and with key members of our clients teams.
- Developing commercial awareness, communication, team-work, and technical skills as you undertake structured placements across Audit, Tax and Advisory.
- Embracing new ideas and approaches, seeking out new responsibilities and proactively getting involved with a wide range of work.
- Displaying an understanding of KPMG’s values and demonstrating behaviours that inspire the trust and confidence of team members.

You will take on tasks that directly add value to our clients and our business. Work will vary from placement to placement, but could include:

- Working as part of an audit team and completing tasks such as controls testing, bank reconciliations and checking the accuracy of financial statements.
- Working with our tax, pensions and legal teams and completing tasks such as liaising with HMRC, drafting correspondence to clients and completing tax returns.
- Providing valuable support to client facing teams in advisory – projects could relate to anything from cyber security to fraud investigations.
- Research tasks and contributing to business development activity.
- General support to project teams, including taking minutes at meetings, preparing engagement letters and billing.
What will I Learn?

- First year: Once you join the programme you will have regular conversations about your career. Your foundation year will allow you to make an informed choice about your career path going forward. You'll also complete the AAT Level Three Qualification.
- Second and third year: Completion of the AAT Level four combined with longer placements will deepen your industry and technical knowledge.
- Fourth, fifth and sixth year: You will decide whether to specialise in Audit, Tax or Advisory and your qualification studied will reflect this decision (qualifications could include ACA, CTA, CIMA).

The specialist nature of our actuarial and technology teams means that apprentices wishing to specialise in these business areas will do so upon completion of year one (the foundation level).

What Qualifications / Qualities are required?

Within our recruitment process, we look for more than just your academics results. This wider perspective helps us ensure that we are giving you the best opportunity to demonstrate your potential. We assess your application against KPMG’s Global Behavioural Capabilities and combine a number of different factors, and how you perform in our recruitment process to build our confidence in whether you will be a success at KPMG.

As a general rule, you'll be expected to meet the following requirements:

- A minimum National 5 in both Maths and English
- Equivalent to 104 UCAS points under the 2017 tariff point system across Highers and Advanced Highers
