Dear Parent or Carer,

Activities Week 2018: Monday 28th May – Wednesday 30th May

This May your son or daughter will be taking part in our school Activities Week. At this time, all normal timetabled classes will be suspended and staff and pupils will all be involved with a variety of different and often new experiences. The Thursday and Friday of the school week will be in school.

We are now pleased to offer your son or daughter the chance to choose the activities they wish to take part in during the Monday-Wednesday. There is a wide and varied selection of activities on offer with varying costs.

Below is a link to a Survey which will allow your child to choose their first, second and third choice of activity on each day. The **link is also available on the school website** as is the link to a **Choice booklet**, which will describe each activity in detail. We recommend you and your child read this **BEFORE** making their choices. We ask that you discuss with your child which activities they wish to take part in.

The **slip below MUST be returned** to your child's form teacher along with an **EE2 form** to confirm your child has completed their choices in the survey and to indicate you are willing to meet the **maximum** cost of the activities, with the understanding your child may be allocated a place on any combination of the activities. No EE2 means no trip. We would encourage pupils to try a range of activities to maximise their experience.

We will endeavour to ensure pupils are allocated one of their three preferences but please be aware this may not always be possible. Please can completed forms be returned to your child's form teacher by **FRIDAY 10th NOVEMBER.**

Once we have allocated the choices, we will inform you of your child's activities and payment will then be due in the spring term. Support may be available with payment. If you feel this will be the case, please tick the box below and a payment support form will be given to your child.

Yours faithfully,
Activities Week Coordinators
